

Could you be our next general assistant?

If you're friendly, enthusiastic and have a passion for food, then we'd love you to join our small team of foodies, Lizzie, Steph, Jake, David and Sophie!

Working closely together with our current assistant, your job will be to join the team to make sure all our classes run smoothly and effectively, and that the school is kept to a high standard of cleanliness.

Key tasks

- Sorting, storing and distributing ingredients
- Ensuring the food prep areas are clean and hygienic
- Washing, peeling, chopping, cutting and preparing food ready for the upcoming classes
- Washing utensils and dishes and making sure they are stored appropriately
- Putting any deliveries away and ticking off the order forms to make sure they are correct
- Meeting and greeting customers during the evening and Saturday courses
- Cleaning the kitchens after classes have finished
- Cleaning the residential areas, bedrooms and bathrooms once students have departed and preparing for the next week
- Following the school's COVID-19 policy and adhering to social distancing when customers are in the school

You will need to be organised, have excellent attention to detail, be flexible and adaptable to different situations and be confident and happy to speak to different age groups and people. A good knowledge of food safety and handling is also preferable (although not essential — we can show you the ropes!).
